

DUAL ENROLLMENT AGREEMENT

Indian River State College

And

The Home School

Whereas Section (s) 1007.271 (21) Florida Statutes, requires state colleges and Home Schools to develop comprehensive Dual Enrollment articulation agreements, Indian River State College (IRSC), and The Home School have made the following determinations:

- A. Terms of this Agreement shall commence August 1, 2024, or on the last date approved by either party, whichever

School recognizes that IRSC is not obligated to offer any course on the FLDOE Dual Enrollment Equivalency list but that this list is used to determine eligible courses.

Student Records:

The parties may provide personally identifiable student records to each other in the performance of this agreement. Such records are provided pursuant to Section 1002.22, F.S., and 20 U.S.C.A. 1232g. Each party further agrees to comply with Section 1002.22, F.S., and 20 U.S.C.A. 1232g, including but not limited to provisions related to confidentiality, access, consent, the length of retention and security of student records. Home Schools may provide student information to IRSC for the sole purpose of providing dual enrollment marketing information to prospective/current dual enrollment students.

institution in the Dual Enrollment Articulation Agreement.

19. Students may not have been recommended for expulsion or expelled from a secondary school where the student attends or attended. Students who are enrolled in dual enrollment course(s) prior to being recommended for expulsion or being expelled may be permitted to finish the course(s), but they may not be permitted to enroll in or register for the additional course(s).
20. Students may not be placed at an alternative school for behavioral or disciplinary reasons or due to a safety concern. Students who are enrolled in dual enrollment course(s) prior to being placed in an alternative school may not be permitted to finish the course(s), but they may not be permitted to enroll in or register for the additional course(s).
21. IRSC and the Trustees have the sole and absolute decision to permit or deny the enrollment of any student recommended pursuant to paragraph above or who is not otherwise eligible for enrollment in dual enrollment. Further, IRSC Trustees may require additional information from a student and the School to assist in making any such determination.

Special Programs

1. Employment Ready Dual Enrollment - The Employment Ready Dual Enrollment Program is for high school students who would like to develop technical skills with an emphasis on 21st Century employment opportunities. Students may pursue approved Associate in Science (AS) degree. Employment Ready Dual Enrollment processes are the same as those for Dual Enrollment with the following eligibility requirements

Student Eligibility and Access

- a. Students must meet the age requirement for the Career Program of choice, if applicable.
- b. Students must demonstrate college readiness via a Common or Alternative Placement Exam.
- c. Students may enroll in a maximum of college credit hours per semester.

New Students:

1. New (first time) Associate in Arts degree-seeking students are required to complete SLS1101 ± Student Success during their first semester of attendance. An unweighted high school GPA of 3.0 and a PERT Reading score of 106 is required to participate in this course.
2. New (first time) Vocational or Clock hour dual enrollment students are not required to take SLS1101.
3. New students are recommended to participate in no more than two, 3 credit courses during their first semester. One of the two courses must be SLS1101.
4. New students are recommended to complete the Dual Enrollment New Student Orientation (NSO), which includes information on college policies, procedures, resources, expectations, and other essential items that help support student success.

Exceptions

1. For exceptions, the Home School Official must complete and submit the Dual Enrollment Exceptions Request form with supporting documentation for the Request form

will be eligible to take courses that meet the high school graduation requirements reflected in the supporting documentation.

4. Exceptions are not allowed for Special Programs.

Summer Enrollment:

1. Students are recommended to enroll in a maximum of ~~10~~ ¹² credits over the Summer.
- 2.

Advising Services :

1. Dual enrollment students will be assi

5.

attempt surcharge for that course and will be at the expense of the student during the Fall, Spring, or Summer semester.

Student Standards of Conduct
